TRAINING/TESTING
Equipment Operator – Winter Grader Plow

Under Article 14 of the Collective Agreement between the Nova Scotia Department of Transportation and Infrastructure Renewal and the Canadian Union of Public Employees, Local 1867, the following training/testing opportunity is being posted:

LOCATION:	**Beechville, Zone 21**
WORK GROUP/POSITION:	**Highway Worker / Equipment Operator**
TRAINING OPPORTUNITY:	**Winter Grader Plow**
NUMBER TO BE TRAINED:	**3**
POSTING DATE:	**12/4/2019**
CLOSING DATE:	**December 18, 2019 at 4:30 pm**

Qualifications:

- Applicants must have been declared competent as an OPTP Operator by TIR within one (1) year of this posting.
- Applicants must pass the Department of Transportation and Infrastructure Renewal operator examination administered by an EQII as defined in Article 14.03 to be deemed qualified to operate or eligible for training for Winter Grader Plow operation.
- Knowledge of the pre-trip inspection program and equipment servicing procedures is required.
- Knowledge of the Department's Health, Safety and Environment Program is required.
- Applicants will also be required to achieve Fitness for Work standards which meet Class I medical requirements.

The successful applicant(s) will work under the Operations Supervisor and Maintenance Supervisor, carry out Grader operations on provincial highways, and adhere to established Safe Work Practices and Job Procedures, including but not limited to Winter Grader Plow operations.

To Apply:

Please submit an "Expression of Interest" form to: **Tiffany Page, 107 Oakmount Drive, Bedford NS B4A 4J3, or by fax at 902-424-0568 no later than 4:30pm on the closing date.**

Note(s):

Bargaining Unit Members, who have completed a probationary period, are currently working in the applicable maintenance zone and meet the posted qualifications will be considered first in the selection process for training opportunities by date of seniority.

Applicants shall be subject to a screening process in the form of testing and/or interviews to verify qualifications, physical abilities and mechanical aptitude. This shall be completed by resources inside or outside the Department.

Applicants must pass the Department of Transportation and Infrastructure Renewal operator examination administered by an EQII as defined in Article 14.03 to be deemed qualified to operate or eligible for training for Winter Grader Plow operations.

In accordance with Article 14.03 at the end of the training and or testing process, employees who are deemed qualified are expected to operate the equipment when required in the zone(s) that they normally work.
