Dear Brother Joy:

I am writing to you and your members on behalf of the 630,000 CUPE members and the entire National Executive Board to express condolences for the sudden and tragic loss of your colleague and union Brother John MacLeod.

This is a difficult time for the members of Local 1867 and no words of comfort can lessen the loss of Brother MacLeod. I offer this message of solidarity to each of you as a family of co-workers who are no doubt feeling much hurt and pain.

Our thoughts and prayers are with the family of Brother MacLeod and the members of Local 1867 who are affected by the loss of their colleague.

In solidarity,

PAUL MOIST
National President
