

TRAINING/TESTING Equipment Operator – Backhoe

Under Article 14 of the Collective Agreement between the Nova Scotia Department of Transportation and Infrastructure Renewal and the Canadian Union of Public Employees, Local 1867, the following training/testing opportunity is being posted:

LOCATION: Zone 14, Bible Hill, Br
WORK GROUP/POSITION: Highway Worker / Equipment Operator
TRAINING OPPORTUNITY: Backhoe
NUMBER TO BE TRAINED: Two (2) in Bible Hill Base

POSTING DATE: April 22, 2024
CLOSING DATE: May 6, 2024

RECEIVED APR 22 2024

Qualifications:

- Applicants must have been declared competent as an OPTP Operator by TIR within one year of this posting.
- Applicants must pass the Department of Transportation and Infrastructure Renewal operator examination administered by an EQII as defined in Article 14.03 to be deemed qualified to operate or eligible for training for backhoe operation.
- Knowledge of the pre-trip inspection program and equipment servicing procedures is required.
- Knowledge of the department's Health, Safety and Environment Program is required.

The successful applicant(s) will work under the Operations Supervisor to carry out backhoe operations on provincial highways and adhere to established Safe Work Practices and Job Procedures, including but not limited to Backhoe operations.

To Apply:

Please submit an Expression of Interest Testing/Training Opportunity Response form or a resume which clearly demonstrates how you meet the qualifications to Chris Verge, Area Manager Colchester, Nova Scotia Department of Transportation and Infrastructure Renewal, 15 St. David's Avenue, Bible Hill, NS, B2N 4L7 or by fax at 902-893-8175 no later than 4:30pm on the closing date.

Note(s):

Bargaining Unit Members, who have completed a probationary period, are currently working in the applicable maintenance zone and meet the posted qualifications will be considered first in the selection process for training opportunities by date of seniority.

Applicants shall be subject to a screening process in the form of testing and/or interviews to verify qualifications, physical abilities, and mechanical aptitude. This shall be completed by resources inside or outside the Department.

Applicants must pass the Department of Transportation and Infrastructure Renewal operator examination administered by an EQII as defined in Article 14.03 to be deemed qualified to operate or eligible for training for Backhoe.

In accordance with Article 14.03 at the end of the training and or testing process, employees who are deemed qualified are expected to operate the equipment when required.
