FROM: Jacquie Bramwell, Atlantic Regional Director
DATE: July 3, 2020

Dear Brothers and Sisters:

It is with sincere gratitude and respect for you and the members you represent that I wish to advise you I will be retiring on July 10th.

I cannot adequately express what CUPE has meant to me over the last 43 years, first as a member, then as staff and as the Atlantic regional director. Working with CUPE has enriched my life in so many ways. I am leaving with countless memories of your accomplishments, struggles and resolve.

That said, I am leaving you in very capable hands. Tracey Pinder is the new Atlantic regional director, and I know she will work closely with you to continue our work and commitment. I am sure you'll be hearing from Tracey over the next few weeks.

I am hopeful we will meet again, whether it be on a picket line, at a rally or in person.

With much love, respect and solidarity,

Jacquie Bramwell
