Dear Members,

## RE: CUPE Local 1867 Membership - Bargaining Update

Conciliation took place on April 5-6, 2022 with the assistance of a Department of Labour Conciliation Officer. Since then, there were a number of conversation/exchanges between the parties which resulted in an impasse. The Employer requested the Conciliation Officer file his report to the Minister of Labour which means the Parties would then be headed to Interest Arbitration. The Labour Board of Nova Scotia contacted the Parties on May 31, 2022 to commence this stage of bargaining. It is still in the early days at this point and no official Interest Arbitration dates has been set.

We will update you as things progress.

On behalf of the Bargaining Committee, we thank you for your support.

In Solidarity,

for Wanda Power  
CUPE Local 1867 Highways Coordinator  
and Lead Negotiator
