FROM: Steve Joy – Provincial President & Bargaining
Committee Chairperson

RE: Counting of the Tentative Contract Ballots Result

Thank you to all members that took the time to attend Unit meetings and vote on the Tentative Agreement.

Local 1867 Trustees and CUPE National Staff Representative met today to open the envelopes and count the ballots.

There was a clear majority of acceptance votes for ratification of the agreement.

Thank you to the Bargaining Committee for their dedication and hard work.
