Location: ASHFIELD/JUDIQUÉ

Zone: 6

Type of Employment: Year Round

Union Status: CUPE - NSPG

Closing Date: 4/8/2026 (Applications are accepted until 11:59 PM Atlantic Time)

RECEIVED MAR 20 2026

Under Article 13 of the Collective Agreement between the Nova Scotia Department of Public Works and the Canadian Union of Public Employees, Local 1867, the following opportunity is being posted.

Please quote the competition number and the Zone you are applying for as noted above on your application.

About Us

At the Department of Public Works, we are responsible for building and maintaining a sustainable provincial infrastructure for Nova Scotians. From highways and bridges to government buildings and registration of vehicles, safety and quality of life are top of mind. We support Nova Scotia's 23,000 kilometers of roads and highways, 4,100 bridges, and 9 provincial ferries.

Our Fleet Services Division is pivotal in ensuring the Public Works Fleet is running smoothly; ensuring the safety of our provincial road network.

About Our Opportunity

As the Mobile Service Mechanic, you will have the opportunity to work on our wide variety of equipment that maintains our roads and highways. You will be responsible for maintaining Utility Tractors, Rubber Tire Loaders, Graders, Tandem Trucks and all associated attachments including wings, plows, and sweepers.

Primary Accountabilities

You will not only repair, rebuild and make adjustments to our fleet, but also determine the reasoning for equipment malfunctions. To minimize such occurrences, preventative maintenance is a critical component in this role.

We will ensure you have the right tools to do the job, and there is nothing more important than your safety. You have a clean workspace, and your ideas and input are valued and considered. Your coveralls and other personal protective equipment (PPE) are provided. We also have an annual footwear and tool reimbursement allowance as you must bring your own mechanical tools.

Qualifications and Experience

Some high school and an Inter-Provincial Red Seal Certificate of Qualification in Truck and Transport plus a minimum of five (5) years of diversified mechanical experience.

Upon hire, applicants will be required to successfully complete Nova Scotia Motor Vehicle Inspection (MVI) training as part of their probationary requirements.

A valid Class 5 drivers' license is a condition of employment, and an acceptable driver abstract must be submitted before employment begins. Air Brake endorsement is an asset.

Knowledge and experience of computer-controlled engine diagnostic technology, electrical schematics, dealer purchased engine programs, online service manuals, and safety inspections are considered assets.

Air Conditioning Certification and a Motor Vehicle Inspection license would also be considered assets.

You consistently demonstrate initiative in your role, remaining up to date in changes to equipment, methods and technology within the mechanical field. Strong communication skills are necessary for the times when you will be helping staff diagnose and resolve equipment issues. You must also be able to work effectively with minimal supervision as most of your time will be spent working independently. Professionalism and a high standard for client and customer service is required.

You will be assessed on the above qualifications and competencies using one or more of the following tools: written examination, interview, and reference checks.

Benefits

Based on the employment status and union agreement, the Government of Nova Scotia offers its employees a wide range of benefits such as a [Defined Benefit Pension Plan](#), Health, Dental, Life Insurance, General illness, Short and Long Term Disability, Vacation and Employee and Family Assistance Programs. For information on all our Benefit program offerings, click here: [Benefits for government employees](#).

Working Conditions

Work is performed in a mechanical repair environment occasioned by noise, smoke and gas fumes and at times adverse weather conditions while operating in a field environment. Considerable standing, lifting, carrying and moving about is a requirement of this position.

Additional Information

There is one (1) opportunity in Ashfield/Judique in Zone 6 covering the Antigonish/Judique/Port Hawkesbury Fleet Services area including Zones 5, 6, 7, 8 and 9.

Normal hours of work are 8:00am - 4:30pm. If equipment breaks down, we will count on you to help things get up and running again. Therefore, you will be on-call outside of your regular work schedule.

This opportunity is for a 52-week Year-Round position – the duties of which are full time and continuous in nature.

You must bring your own mechanical tools.

What We Offer

- Career Development where you have access to career guidance, tools, resources, and ongoing training for every stage of your career.
- Engaging workplace. Our Employees feel valued, respected, connected, and tuned in. We have forward-thinking policies and strategies.
- Countless Career Paths.
